

Mega Spileo

Mystic Brut Sparkling Wine

Category & Origin

White Sparkling Wine

Varietal Composition

"Mystic" Greek Varieties Blend

Vineyard

Location

Mountain vineyard in the mountains of Aigialeia

Vine harvest

2020, 2021 and 2022

Winemaking

The base wine comes from a blend of 2 Greek varieties grown in vineyards of Aigialeia. The base wine contains all vintages from 2020 onwards, ensuring stability and complexity in the final product. The second fermentation takes place in a closed tank, where the resulting wine remains on its fine lees for 6 months with regular stirring. This is followed by bottling and maturing in the bottles for at least another 6 months.

Flavour profile

-  Light straw yellow colour, with satisfactory foaming in the glass.
-  Fruity and botanical aroma character with a sense of yeast.
-  Its taste refreshes the palate, keeping a crisp balance and a long finish.

Pairing

It pairs with grilled seafood, smoked salmon, salty yellow cheese or is served as an aperitif. Serve at 6° - 8°C.
